EDUCATION

2020 - 2025

DEBRE BERHAN UNIVERSITY

- Bachelor of Software engineering
- GPA: 3.59 / 4.0

SKILLS

- Frontend: JavaScript, React, Tailwind CSS
- Backend: Node.js, MongoDB
- Tools: Git, GitHub
- Soft Skills: Teamwork, Problem-solving, Time Management

LANGUAGES

- English (Fluent)
- Amharic (Native)

PROFILE

Energetic and passionate Software Engineering graduate with hands-on experience in building modern web applications using React, JavaScript, Node.js, and MongoDB. Successfully developed a learning management system (LMS) for ZSecuredTech and led the creation of an eCommerce platform tailored for Ethiopian influencers. Known for strong problem-solving, teamwork, and a user-focused mindset. Eager to join a dynamic tech team to build impactful digital solutions and grow as a professional developer.

WORK EXPERIENCE (INTERNSHIP)

KurazTech Company

Frontend Web Developer

- Contributed to the development of a Linktree-style web platform for personal link sharing.
- Developed responsive components using React and Tailwind CSS.
- Collaborated with senior developers on UI improvements and code optimization.
- Strengthened skills in clean component structure and responsive design.

ZSecuredtech

full stack web developer

- Collaborated with the team to design and develop a Learning Management System (LMS) tailored for secure e-learning delivery.
- Built reusable UI components using React and styled them with Tailwind CSS to ensure a responsive and user-friendly interface.
- Integrated video content delivery for enrolled users, supporting an interactive and scalable learning experience.
- Participated in Agile development practices, including weekly standups, code reviews, and sprint planning.
- Gained practical experience working in a professional development environment using Git, Figma, and Trello for collaboration.
